

Evidence (table)

Appendix: Evidence

Learning outcome	Proof
User interaction (analysis and advice) You analyse the user, the interaction, and the user experience, also taking state of the art interactive technologies into account. You select a suitable design process to be able to advise on UX interventions based on a validated UX design.	Tine Expert interview Group ideation Personas and user journeys QR code test Ideation and paper prototype Design Document Samen aan Z Design Document Personal Project Design Pattern Research
User interaction (execution & validation) You execute and evaluate the user experience of an interactive product. You document the development process for the stakeholders.	Design Document Samen aan Z Design Document Personal Project Ideation and paper prototype Test paper prototype Test Mobile App Advice Document Test Portfolio
Software development You create & design software with existing components or libraries using predetermined quality criteria and version control.	Design Document Samen aan Z Design Document Personal Project GIT Samen aan Z GIT Personal Project SurveyJS Research C4 Model Samen aan Z C4 Model Personal Project Animation Library Research
Future oriented organisation You carry out a problem analysis and on that basis, you determine the definitive problem and elaborate on this in a project plan.	Project Plan Samen aan Z Project Plan Personal Project Tine Expert interview
Investigative problem solving You formulate sub-questions pertaining to the primary question and answer these using relevant research methods. You use the conclusions of the sub-questions to justify (design) choices.	Project Plan Samen aan Z Project Plan Personal Project Reading Guide Design Document Samen aan Z Design Document Personal Project
Personal leadership You methodically reflect on your professional identity and personal development.	Reading Guide Advice Document Test Mobile App Team Agreement
Goal-oriented interaction You communicate with different stakeholders and team members	Tine Expert interview Mark Klerkx interview Communication document

about the ICT assignment, taking into account an international context.
